

Visceral Workshop Part 2

**Oct 20 and 21, 2018
Sheridan College
Brampton (TBA)**

Presented by: Anne Hartley

Course Description

A dynamic hands-on manual course designed for the therapist who wants to learn new manual skills to treat the viscera and organs of the body. It will include assessment of the viscera and organs as well as assessment of the spine that serves the viscera. A treatment protocol will be developed and manual correction for the viscera or organ will be demonstrated. The manual correction techniques will be practiced in partners.
